Beach Fun! | June 13-17

Ocean Animals, Beaches, Sand Art w/ Experiments, Pirate Adventures, and more. Have a blast as you create and explore the exciting ocean world!

Bugs Life | June 20-24

Bugs, bugs, beautiful bugs! Children love to explore the great outdoors – bugs included. Come learn with us about how caterpillars metamorphose into beautiful butterflies, how ants can carry the weight of the world, and so much more. We explore in the outdoor classroom, discover the lifecycle of bugs, pitch a tent, go fishin', make s'mores, go on a bear hunt. How we love nature!

Our Wonderful World of Animals | June 27-July 1

Does your child love animals? Get ready for one wild week as we explore the exciting, diverse life of our 'Animal Planet' with a petting zoo, animal visits, vet play, and fun classroom activities.

Blast into Outer Space | July 11-15

From a galaxy far, far away, join us as we explore space and the mysteries of the far beyond. Children love to make their rockets, play astronaut, and recreate an *out of this world* experience. We will even launch a rocket during this week of camp!

The Magical World of Fantasy | July 18-22

Anywhere from magic to super heroes to fairy tale wonders, we will delve into the fantastic fantasy world of dragons, unicorns, wizards, fairies, and mystical wonder. The boundaries of imaginative exploration are endless!
