SUMMER CAMP Registration 2024

OPP&K Summer Camp Registration opens on Feb. 14, 2024, where we will begin placing our enrolled families and returning campers. Registration opens to the public on March 1, 2024, where we will begin placing new families from outside our school. Please see the attached flyer on oppbrookhaven.org/summercamp for more information (also found under "News" in *Our School Hangout*).

Please see the following instructions to register online:

1. To begin, please login by visiting <https://opp.ourschoolhangout.com/Login-Page>, OR to “set up” a new account, visit <https://opp.ourschoolhangout.com> to complete the application process for you and your family.
 - If you have an account set up, simply "log in" and you can choose the weeks of Summer Camp, add them to your cart, and proceed with check-out.
 - If you do *not* have an account already set up, you will need to create an account.
 - This application contains routine background information such as emergency contacts, addresses, doctor names, allergies, etc. You will not be able to register for summer camp until your application has been approved in the system. Once approved, download the Our School Hangout application from the App Store or Google Play to your mobile device.
2. **Your application will be approved soon by OPP&K.**
3. Once approved, **download the *Our School Hangout* application** from the [App Store](#) or [Google Play](#) to your mobile device.
4. **Login to the website or app, select the appropriate WEEK and AGE under “Class Name” that you would like to register for your child(ren), add them to your cart, and proceed with check out.**
 - Class offerings are based on the age of each child.
 - To ensure fairness, each registration will be prioritized with a timestamp. In the event that a class fills up, children will be placed on a waitlist. If there’s an opportunity for your child to be placed in another class, you will be contacted.
 - The registration fee is a non-refundable, one-time payment of \$100 per family.
